

Dear Scream Enthusiast,

Scream Fastpitch Softball is a self-funded, non-profit 501 (c) (3) organization which offers a variety of practices, scrimmages, condition training and tournaments throughout the year. We focus on developing the physical and mental toughness needed to succeed and are dedicated to enhancing players' conditioning and athletic skills, as well as helping develop their character. Our program is designed to teach and develop the girls to play softball at the highest level of competition. Excellence in academics as well as athletic ability are what we strive for in our organization. There is a fall and spring season along with winter training in order to give the girls more opportunity to improve and compete at a higher level.

We are seeking sponsorships to maintain multiple fields, purchase the equipment to improve and upgrade the fields in order to host tournaments, continue to expand our organization with additional coaches and players, and give these girls the best possible softball experience.

It is through the generous support of our members and local businesses that we are able to continue to provide positive youth sports to the children of our community. With this in mind, we are asking for your support in sponsoring our organization. Help support us to raise the necessary funds for the 2018 season!

We thank you, in advance, for your support of Scream Fastpitch Softball!
